Customer Reviews

It came in excellent condition. Even better than the one my daughter has at school.

If you use the student text, you really should get this too!

My son destroyed his school issued book so we were relieved to find its replacement online! If you have to replace, be sure to double check the numbers.

This is filled with revisionist history that makes it look like the slaves loved their masters and the Native Americans were thrilled to be pushed onto reservations. It's nothing but typical right-wing, American chest beating.
