The DFS Playbook (2017): Make Money Playing Daily Fantasy Football

Synopsis

FULLY UPDATED FOR 2017. The DFS Playbook will show you exactly how to consistently win at daily fantasy football. Drawing on years of experience playing and analyzing the game, Chris Raybon of 4for4 Fantasy Football—long renowned for its industry-leading forecast accuracy—lays out a proven weekly process for picking the best players and creating the most optimal lineups. Every strategy, approach, and technique in the book is data-driven and actionable, and you'll find plenty of examples, tables, and charts to drive each point home. The book includes a QuickStart guide for beginners, a Bankroll Growth Blueprint to maximize profits, and an extensive position-by-position strategy framework that goes in-depth to detail the player-selection and lineup-creation process, including:

- Predicting weekly player performance
- Identifying high-upside players and minimizing busts
- Salary allocation for cash games and tournaments
- Analysis of winning lineups and past trends
- Site-specific strategies for DraftKings and FanDuel
- Game theory tips including contrarian plays, stacking, and more

Customer Reviews

As a subscriber to 4for4.com, I know what they bring to the table regarding fantasy football and, specifically, Daily Fantasy Football. Over the last 3 seasons, I've used their website to go from a novice to a profitable player in DFS. So, I was very excited to read their first book on the subject. I wasn't disappointed! The book has tons of information for beginners, long-time players and those like myself who fall somewhere in-between. It starts with the basics; choosing a DFS site, making your initial deposit and deciding which games to play. It then gives you a very helpful "blueprint" for bankroll management, which I personally think is the most important (and misunderstood) key to becoming profitable in daily fantasy sports. The second part of the book breaks down positional strategy with tons of data and analysis. For me, this is the most useful information I've seen anywhere and I will be consulting it each week when I construct my lineups. I'm confident this will take my game to another level and, for \$2.99, it's an incredible bargain!

Ground-breaking DFS stats and strategy from Chris Raybon, truly a master in the field.

As a fantasy vet but a daily newbie, I hadn't a clue where to begin. I've had great success with 4for4 so I figured I couldn't go wrong with this. Everything you need to get started & made a small profit (with small stakes) my 1st week. I look forward to bigger winnings as my bankroll increases.

Book looks like it would be great for newer players, but not too much insight or advanced info for people who have been playing for a while

So good

Very easy to read and understand. Good Book! Feel ready for the upcoming season. Will apply strategies review in book.

pretty short, but good information in easy-to-understand format. Check out their 4on4 blog for more by these DFS writers

Very good info, easy to follow!
