Customer Reviews

This book helps people with type 2 diabets to understand that they can live full and happy life. It is very important to know what happens to you, what to do in different situations. Dr. Shahriar Mostafa made a great work. Thank you very much

It's a concise delivery of type 2 diabetes topics without the frills.The extensive table of contents would be helpful if the book had page numbers.

This book is so helpful. I've been reading dozens of books on Type 2 diabetes and finally stumbled upon one that answers the questions about symptoms, foods, various medicines used in treatments, and easy to understand information about how serious this condition can be. The ways a patient and their doctor can work together to arrive at a treatment that controls this serious condition is logically set forth. I have found this book to be a treasure for me; hopeful, uplifting and positive. You can win with this kind of information if you are willing to follow a good plan of cooperation with a good doctor.

Type 2 Diabetes is the most common form of Diabetes. Dr. SHAHRIAR MOSTAFA made it so easy for the readers by his writing ability and knowledge. Everyone who needs info about diabetes would definitely get help from this book.If you have diabetes or you want to know about this then read this book now !!!!
