Nations Of South America

Synopsis

A picture book of South America for children can lead a child to wonderful adventures. It can show any child another culture, teach history, show them history, and even teach them about a rainforest. Any child would love to have a picture book of South America. There is so much enjoyment in stories about South America. The pictures would offer added visual aspects. A child can learn of the importance of rain. They may see pictures of the rain forests and can enjoy a sense of wonder about the world

Customer Reviews

At Speedy Publishing, we envision our company and publishing arm as being a premier publisher of quick-reference materials, useful reference books, fiction books in all sub-genres and creative non-fiction to both entertain and assist readers worldwide in reading a fun and exciting books and also accomplishing their educational and professional goals. We continually update our products, ensuring accuracy of information, making sure they are fun and entertaining. Our products are always available in whatever format our readers need.

I teach Spanish and I really love this e-book because the pictures are beautiful and the included facts are informative. The only thing that would make this book 5-star (and more helpful to the reader) is if the author included a small description of where each picture was taken so that readers could see what part of South America they were looking at. Otherwise, the book is great!

Get a glimpse of South America through its colorful people, landscape and interesting facts. This book could use more text and descriptions that's why I give it 4 stars. Suitable for children.

Good.

A must read!
