Moms Manager Mojave 17 Month 2017 Calendar

Synopsis

What makes this Mom's Mojave Manager special? Aside from the serene and calming colors it is specially designed to only write family member's names one time all year! This 17-month calendar beginning in August 2016 and continuing through December 2017, it has space for up to six people's and/or pet's plans. This makes it super easy to keep track of where everyone is and what time you need to get them there every day. Color coordinated stickers are included for appointments, birthdays and other important occasions. Printed on premium matte paper, all calendar pages are printed on FSC certified paper with environmentally safe inks.

Customer Reviews

Founded in 1996, Indianapolis-based TF Publishing (TFP) is one of the nations top publishers of calendars and dated stationery products. Setting the bar for top-notch quality, a broad range of designs and licenses, and unmatched service, TFP continues to earn the trust of retailers and consumers alike.

One thing you might think a calendar would do is to mark the days of the month in order. In this calendar, the boxes for September go from 10 to 14. They have also helpfully included the date of September 31st. When you flip the page, the next month is also labeled as September, but in this month, the 9th and 10th occur twice. I have no idea how anyone could create and market a product with such absolutely minimal quality control. At any rate, this product is completely useless, unless

you move into an alternate reality in which days occur twice or not at all.

Bought for my mom, she liked it

I get one ever year. Can't plan our family activities without it. I only wish it came with more stickers and a folder pouch to hold the sticker sheets.

This is my second Mom's Manager. I won't use any other calendar in our command center. My kids and husband have even gotten used to it so it must be good! ;)

Highly recommend

The best Mom calendar out there!!!

Works great!

A must in my hme
