The Shaman's Secret (Tribe Of The Jaguar Book 1)

Synopsis

Is the spirit world real? Can the dead talk? Is Lorinda Mayfield safe when a spirit seeks her out? And if she's not, where can she run when a woman from the distant past chooses to contact her? It's a situation that this modern woman does not welcome. Who would? Life has been pretty normal up until now. Her work as a painter and sculptor keep her busy and fulfilled. But someone in the spirit world has other plans for Miss Lorinda. Anani of the Jaguar Tribe lived around 600 A.D. and she's not taking no for an answer no matter how much yelling or kicking of the bedsheets Lorinda is prepared to do. Anani has a story to tell and a goal that Lorinda begins to find intriguing, despite herself. The shaman's secret is just the start of what lies ahead in this saga of Anani's life and the tribe the shaman created along the northern coast of Venezuela. Visions sent by Anani of life among the ancients fill Lorinda's dreamtime until Anani's need and goal are revealed. But will Lorinda give Anani what she seeks? And what of the boon that Anani withholds, a boon that Lorinda spurns at first? Can these two beautiful, young women unite to complete what the shaman's secret started? The answer awaits you.

Ancient World

Customer Reviews

The author really made this story of the ancient past spell binding. Thoroughly enjoyed it. The development of the history of these ancient tribes made me eager to keep reading.

I read The Shaman's Secret: Tribe of the Jaguar Book 1 with little expectation as I considered myself a reader of mysteries and not one geared to ancient tribes of which I had no knowledge. I found this book fascinating, intriguing, and hard to put down. I also found myself looking forward to reading the next step in Anani's life. Julie Copp's approach of integrating the spiritual and ancient world (Anani's) with the present (Lorinda's) was ingenious and makes this book unique from any of my previous readings. There is no mistaking the amount of research that went into the storyline. If you are looking for a well-written, informative, and a fun read, I highly recommend The Shaman's Secret.
