Krishna Bedtime Stories: Before The Beginning

Synopsis

A tiger cub is injured by a hunter in the Tiger Ridge Mountains and is rushed by deer medics to a clinic in Tamel Forest where Father Parrot is mayor of the Northwest Region and the parent of three feisty fledglings. Rather coincidentally, a wise female Veda Guardian arrives in the region to put a fine point on the stories about Lord Krishna, His companion, and His spiritual world that Father Parrot has begun teaching his children and their creaturely neighbors. In this stunningly illustrated first volume, the Vedic teachings are introduced especially for children through the Tamel Forest allegory.

Customer Reviews

This book is beautiful. My 7 year old daughter is loving the stories and illustrations. I think its a perfect book to introduce her to different belief systems and helps normalize the differences between people. It a very good introduction to a.different belief system

As the other reviewer who commented mentioned, this book is not about Krishna's pastimes. With that said, it's a gorgeous book. I haven't read all of the stories (there are a LOT of them) but the ones I did read were sweet. I think this is perfect for people who want to bring Krishna into their child's life but also make it a part of a more encompassing and culturally normal thing. It's nice to have books that refer to Krishna even when they're not totally about him. I believe books like this help to normalize a world view for those who are brought up in a vast minority.

This is a perfect book for young children who are beginning to learn about Krishna or anyone wanting to understand the connections between: earth, people, religion, devotion, love, ...etc. This wonderful book is beautifully illustrated and easily holds a young child's attention, as well as, induce thought provoking context that engages curiosity about connections. I would recommend this book for anyone to read and enjoy.

I did not like the book as it has more stories about animals and birds rather than the adventure of Bal-Krishna. I was expecting a book with pictures of adventures of Krishna. This book was not up to my expectation.
