Incredible Inns Of Central America : Lodging In The Bed & Breakfast Tradition

Synopsis

Bed and Breakfast Inns in Central America? Absolutely! The secret to making your memorable vacation an unforgettable journey lies within these pages. Incredible Inns of Central America is a break-through for travelers who enjoy charming hospitality. Spanning the heart of the region, (Guatemala, Honduras, El Salvador, and Nicaragua) this book is the first comprehensive collection to showcase intimate and delightful small inns of the bed and breakfast tradition, some of which date back over 200 years. Each listing is written in a personable style, with lively descriptions, interesting anecdotes, photographs, and complete contact information, providing a simple and enjoyable method to enhance the quality of your trip. In many cases, you will find the same services and amenities available at name-brand hotels but, by choosing to stay at a B&B inn, you will also receive a treasured memory. Whether you prefer a Spanish-colonial home, a seaside cottage, or a converted home in the capital, Incredible Inns of Central America is the easiest way to enrich an already incredible adventure. (And for those of you who don't speak Spanish, every place stated having an innkeeper or manager who speaks English; a few even speak German or French!)

Book Information

Customer Reviews

"...magnificent research...the avenue to choose the best 'posada'...excellent work" -- Jorge Contreras, Office of Tourism Affairs, Guatemala Embassy
"As someone who hasn't tried the B&B style lodging in Central America, I'm a convert from here on out." -- Brent Allen, Reader, New York City
"I really enjoyed your book...the pictures are gorgeous. I'm glad you included the inn

our Ambassador loves (and) recommends..." -- Magda Sobalvarro, Press Secretary, Nicaragua Embassy
Brilliantly executed...Highly recommended! -- Planeta.com, March 2001

Definitely an original work, with beautiful illustrations from the front cover throughout. This book really does fill a gap in the Central American travel industry.

Carol Schimke's *Incredible Inns Of Central America: Lodging In The Bed & Breakfast Tradition* is a superbly researched and presented guide for anyone seeking a unique and memorable travel experience while touring or doing business in Guatemala, Honduras, El Salvador, or Nicaragua. Based upon her own personal visits, Schimke provides detailed and honest descriptions of each lodging (including interior and exterior photos); a wide-range of style choices and price levels; lists all amenities, services, rates, payment methods, and contact information; includes helpful tips on making reservations and specific inquiries; as well as website and on-line registration addresses (where applicable). If you are anticipating traveling in these Central American states and looking for the adventure of a life time, begin your travel plans with a careful reading of Schimke's *Incredible Inns Of Central America*.

From Planeta Journal - This is the first comprehensive collection to the region's small inns which offer lodging in the "Bed and Breakfast" tradition. Brilliantly executed, the book showcases accommodations in Guatemala, Honduras, El Salvador and Nicaragua which offer something distinctly different from traditional hotels. While Central America may not be home to a thriving "B&B Culture," it does have quite a few unique inns. Author Shimke describes the best, providing information on amenities, services, location and the time it took to receive a response via email! Black and white photos compliment the text. Highly recommended!
