## Synopsis

Southern Africa Revealed is a beautiful, glossy coffee-table book with the emphasis on the visual impact. This book is timeless, with modern but simple and classic typography. An introduction to Southern Africa is followed by five chapters which are based on geographical regions; each region is preceded by a few pages of introductory text. Stunning photographs are accompanied by informative and thought-provoking extended captions on the five major nations of Southern Africa - South Africa, Namibia, Botswana, Zimbabwe, and Mozambique. Attractive topographical thumbnail maps at the beginning of each chapter locate the country portrayed in the context of the subcontinent. This book visually portrays the expanse and ruggedness of Southern Africa which the tourist is likely to see - its endless horizons, majestic landscapes and natural wonders, its contrasts and contradictions.
