Yoshiki Nakamura is originally from Tokushima Prefecture. She started drawing manga in elementary school, which eventually led to her 1993 debut of *Yume de Au yori Suteki* (Better than Seeing in a Dream) in *Hana to Yume* magazine. Her other works include the basketball series *Saint Love*, *MVP wa Yuzurenai* (Can't Give Up MVP), *Blue Wars* and *Tokyo Crazy Paradise*, a series about a female bodyguard in 22 Tokyo.

I am still following this series since it premiered and its still good. The art work is still consist. The

reason I mention this is because in some series the art work will improve or the quality can lesson if the artist begins to become lazy or they know there core Audience will stick with it despite the art quite going down a bit. But this volume 12 sticks to the story and further develops the main character's and their relationships in relation to one another. I love to see Kyoko' s growth as well as Den's a d can't wait till they final get together. Its been a long time coming.

Wife loves it

I have loved this series since high school. The 3 in 1 is definitely the way to go if looking to gather the series.

I love the 3 in 1 books because it makes it so much easier to collect the series.

It was at a reasonable price and came pretty fast.

I am looking forward to the next book.

This volume definitely doesn't disappoint. Ren Tsuruga doesn't make as many appearances as I would have liked, but it was still good! (Sorry, I'm a Ren/Kuon fangirl. lol) I got super excited at some points and just can't wait for the next! If you're a fan of shojo manga, you need this. :]

I've been patiently waiting to get the 12th volume of the 3-in-1 edition of this series. Whenever I start rereading it, I can't put it down til I finish reading all that I have. Now I'm just patiently waiting for the 13th volume.
