Rogers restaurant as she dines with the patrons. Dwyer's extensive knowledge and research guarantee many spectacular, well-informed accounts. Numerous experiences with ghosts around the country have led author Jeff Dwyer to write books based on his extensive research. He is the author of Ghost Hunter's Guide to the San Francisco Bay Area, Ghost Hunter's Guide to Los Angeles, and Ghost Hunter's Guide to New Orleans, all published by Pelican. Praise for Ghost Hunter's Guide to the San Francisco Bay Area: "I am thoroughly impressed with Jeff Dwyer's Ghost Hunter's Guide and would recommend it to all, from total novice to professional investigator."--Steven Moreno, president, PSI Applications "This is a book that is a good guide to its subject, but it is also a pleasant read, even if you seldom leave your chair!"--Portland (OR) Statesman Journal

It's important to keep this type of information current, and Jeff has done so in this book of haunted locations around the Puget Sound. He has coordinated his efforts with the major ghost hunting groups such as AGHOST (the largest in the region), the Museum of the Mysteries as well as individuals and his personal investigations. I thought when I bought this that it might be a re-hash of existing information, but was pleasantly surprised to find that the book is up to date and written in an entertaining manner. I highly recommend it.

I wasn't sure if this book would be any good when I ordered it, but I was pleasantly surprised ! It was great, easy reading with a lot of facts and pictures. I'm planning my first trip tp Seattle this summer...and I'm going to try to hit all the areas in the book.
