I purchased this for my Grandson who is starting his first garden. He's found the book very helpful, he just posted a photo of his first flowers, grown from seed! Great book!

Very informative. Great for beginners

I wish I could actually grow anything. This book didn't help me much!

Excellent product!

GOOD PICTURE . INFORMATION IS FINE

Just got it in the mail, looks like everything it was promised to be. Clear and easy to read, with great photos and instruction. Hoping this will help me with my lack of a green thumb this year.

The gardening book was a Christmas gift to my nephew. He is excited to use it this spring.

works great for our project.
