I got this so my daughter could track my wife's Camino de Santiago. It arrived quickly, and was

well-printed on fairly heavy stock- enough that pushing pins in for every stop didn't cause the map to want to tear. I would certainly recommend this map.

Bought this to help plan out my trip to Spain, and I love it! It's shows many small cities that aren't normally on maps. I will definitely be using this

We use it in our Iberia (Michener) study group to show pinpoint his travels around Spain.

The map is very clear and nice. The sizes were what I wanted. Arrived on time. Very good.

Got this map for my daughter who was hiking on the Santiago to provide a record of her trip and progress. Perfect size. The map came was a bit wrinkled but not a big deal.

It is a great map of Spain

Very detailed. Very good map

I bought this map because I am the territory manager for Spain. It's accurate and the perfect size. The Canary Islands are also shown.
