## Customer Reviews

Every recipe has a picture. Clear instructions. Furthermore, the size of this hardcover book is larger than most baking books which is a +plus point.If you watch the video or shows and enjoy the recipes, then this is a good book to have.

Recipes are very easy to understand. Anna has written this cook book as if shes right beside you talking you through the recipes.I brought this book because i found Anna on the cooking channel on foxtel feeding my baby. I loved the way she cooked and how her kitchen was set out and the way she spoke to the viewers was very engaging.I then found this book and her other ones.I love the big colour photos next to the receipe.I have made classic chocolate chip cookies the classic lemon pound cake which i think tastes nicer than butter cake .Due to baby in home i don't have a lot of spare time but i do plan on making other cakes that i have found.Overall great book. For Beginners on.

Best baker and chef I've seen! She has awesome Food Network (Canada shows) videos and HAD to have this cook book to actually see more recipes! Very much worth every penny! Awesome chef! Cookbook is full of tips and step by steps! I love it!
