Montreal In 3 Days: The Definitive Tourist Guide Book That Helps You Travel Smart And Save Time

Synopsis

There are many tourist guides for Montreal available to travelers. This one is different! We have created a specialized guide that is quite helpful if you only have a few days to spend in this glorious city. There is so much to see and do that you won't want to miss the events and sights that interest you. This book is a smart-book, too! It helps you in determining what you will want to make time to experience. We'll give you the easiest ways to get around in Montreal, and give you the 511 on their currency and tipping etiquette. Here is a quick preview of what you will learn in this tourist guide:

- Helpful information about Montreal
- Flying into the city
- Transportation tips in town
- Why Montreal is such a vibrant tourist spot and what you will find most remarkable about it
- Information on luxury and budget accommodations and what you'll get for your money
- The currency used in Montreal
- Tourist attractions you should make time to see
- Other attractions for entertainment and culture
- Events that may be running during your stay
- Tips on the best places to eat & drink for all price points, whether you want simple fare, worldwide dishes or French cuisine

Customer Reviews

This is the least definitive guide I've ever seen. Although 57 pages, both the print and the margins are HUGE. As one example of the book's skimpiness, the section on Vieux-Port and Vieux-Montreal is only three bland sentences long.

Do not waste your money buying this useless book. It reads like an elementary school student

project. A short paragraph on sites of interest without an address, without hours of operation, without advise on admission charges etc.

This guide has no maps, pictures, or schedule for your 3 days in Montreal. It is basically an amateurley written account of what one may find in the city of Montreal. One example listed under Montreal Cabs states " They have yellow cabs, but also cabs in many other colors and sizes ". Is this the type of information you need? I don't think so. Please don't wast your money or time on this disappointing guide book, it's really more like a type written double spaced pamphlet.

I was captivated by the title, but upon receipt, realized that this book is little more than a list of hotels plus a short list of places to visit. The restaurants don't even have corresponding addresses and phone numbers. I was hoping for a suggested 3 day itinerary, but to no avail. My expectations far exceeded what is offered in this book!

This is a handy portable, easy to carry around guide to Montreal in 3 days you may wish to visit. There is a good detailed information of the places. There are explanations of the top attractions and some itineraries that you might want to follow and some side trip ideas. In amongst the pages are small pictures which give you an idea of where these sights might be and what they look like. Loved it!!
