Great way to entertain my grandson!

Very cute sticker book for those little ones. Served our purpose perfectly.

Fun quick fun for little kids!

Perfect for your favorite little digger!

Our 2 year old grandson really enjoyed his construction stickers.

Love these books for church and doctors appointments.

Bought 3 of these books for a recent plane trip with my 2 1/2 yr old son along with a travel tray. The books are smaller than I expected, but perfect size for carry on bag and toddler hands/lap. When you take the staples out of the book they have a 2 page "scene" to place all the stickers, and it is laminated so the stickers can be removed and placed again. Kept my son occupied for periods of time on the plane. Since I ordered with other items and got free shipping, I think the \$1.50 for each one was a fair price.

Ok
