Customer Reviews

Dean M. Harris, JD, is a clinical associate professor in the Department of Health Policy and Administration, School of Public Health, University of North Carolina (UNC) at Chapel Hill, and adjunct associate professor in the UNC School of Law. In addition, he serves as adjunct professor in the Department of Health Economics and Management in the Guanghua School of Management at Peking University, Beijing, China. He previously taught in an executive MBA program at The Fuqua School of Business at Duke University.

Book was in good condition and super cheap but it's out dated. If you need this for school get the newest addition

Just what I needed for class, helpful relevant cases included as examples

I needed the text book for a semester which was about 5 days to start, and I was not disappointed. Great service!

Easy reading and understanding. It also has been incorporated in to my classroom.

Great book, easy read

Great product.

Great book, very informative

I bought this for a healthcare class and it's okay.
