“I don’t see how *Awakening Together* could be better. It is so wise, thoughtful, dedicated to our healthful growth, ease, and enlightenment through the Dharma that I know I will be reading it for years to come. Larry Yang seems to have thought of everything we will need as we venture bravely forward—through racism, prejudice, and ignorance—into the free

spiritual beings we were meant to be. Together. (Alice Walker, author of *The Color Purple*) "Larry Yang's voice, heart, and insight in *Awakening Together* can be both trusted and radically illuminating. We do indeed need each other for any of us to awaken to our true nature as human beings. Mindfulness practice has to be about inclusivity and diversity and justice if it is to be kind and compassionate and wise. If we truly "inter-are" as Thich Nhat Hanh asserts, then, as this book shows, we have to widen our scope of what is worthy of our attention. Parts of this book may make some people in the greater mindfulness community uncomfortable. It certainly was true in my case. That is precisely why it is particularly valuable to read and reflect upon and learn from. We need trusted others to show us our blind spots, our tacit assumptions, and our ignorance. I highly recommend this elegant, highly personal, and hopefully profoundly influential book. (Jon Kabat-Zinn, author of *Full Catastrophe Living*) "What a gift *Awakening Together* (a timely and essential offering) gives, to learn how, through the lessons of past experience and the lens of future needs, we can build sanghas that represent the illuminating and joyous presence that true diversity brings. (Gina Sharpe, Co-Founder, New York Insight Meditation Center) "Awakening Together combines the intimately personal, the Buddhist and universal into a loving, courageous, important work that will benefit all who read it. For anyone who longs to collaborate and create a just and inclusive community, Larry provides a brilliant guidebook. (Jack Kornfield, author of *A Path With Heart*) "Awakening Together is essential reading as we seek to heal our own hearts, our communities and our world. (Tara Brach, author of *Radical Acceptance* and *True Refuge*) "Awakening Together is filled with love. Larry Yang plants your feet, offers his hand, and without hesitation opens our eyes. His teachings on creating and sustaining communities that welcome the full range of our life experiences, are clear and poignant. He skillfully walks us into a vision of an inclusive spiritual home in which we can unfold and reveal our true selves. As a seasoned, and well-loved dharma teacher, his long-awaited gift satisfies the soul that yearns to be seen. Deep bows, beloved friend, for this offering. (Zenju Earthlyn Manuel, author of *The Way of Tenderness*) "In *Awakening Together*, Larry Yang shares an in-depth personal journey and his professional experience of wise and actionable guidance for building inclusive Buddhist communities. A must read for anyone interested in understanding the integrities of belonging. (Ruth King, dharma teacher, life coach, and author of *Healing and Mindful of Race*) "This book is a much needed call to revolution for the western Buddhist communities. Larry has clearly and wisely pointed out the path we must travel to overthrow the systems of oppression and separation that plague our society and are mirrored in the sangha. Read
