Customer Reviews

You can’t go wrong with Fodor’s.

The Fodor’s Egypt is the best I have ever seen. It gives more information about restaurants and details about the sights all over Egypt. From Cairo to Alexandria to the Nile Valley and Luxor. It also gives history of Egypt from the Pharaohs to the present.

Everything I hoped it would be – Very informative for the actual traveler or for one whose travel days are over (and is an armchair traveler) Thanks...

I went to Egypt post the revolution and found the Fodors book to be a great guide to this country. It needs to be updated given the new political dynamic but it covers the main points well.

Excellent guide. Came in pretty handy for my trip to Egypt. Most articles were pretty accurate. Highly recommended.
