# The Koran Interpreted: A Translation

## Synopsis

No other book ever written, with the possible exception of the Bible, has so dramatically influenced the course of civilization as the Koran. Yet this important text remains little understood in the West. Since its first publication in 1955, Professor A.J. Arberry's translation has been the finest one available, its magnificently written verse making the Koran accessible to a Western audience. Professor Arberry has rendered the Koran into clear and lyrical English while carefully preserving the incomparable artistry of the Arabic original. "The Koran Interpreted" is universally recognized as not only the most authoritative translation but also the most beautiful one in the English language.

Arthur John Arberry, as Head of the Department of Classics at Cairo University, acquired a firsthand knowledge of literary and social conditions in the Islamic Middle East. Between 1947 and 1969 he served as Sir Thomas Adams Professor of Arabic at Cambridge University. He published some twenty books in Islamic studies during his lifetime, many dealing with mysticism and poetry. Professor Arberry died in England in 1969.

after considering several translations, I chose this one.

The best English translation of the Koran available to non-Arabic speakers. Excellent for those who want to read this important religious text.

I understood the word "interpreted" in the title to mean this edition would include some notes--

Excellent transaction, very good price, superb delivery. Since it is reputed to be the most faithful translation, I'll refer to it whenever I have questions.

Purchased for a university course. Makes reading The Koran simple with this interpretation.

Very nice explanation in English

Easy to understand reading!
