## Customer Reviews

Very small book for the price. Some OK information, but not worth the price. You can get the same info on YouTube.

It's a "craft" book...no pictures! Need I say more?!? Would not recommend. ..one star just bc I wanted to be nice.:)

I am so obsessed with chalk painting now a days, I am all at the beginners level and this book is just what I needed. Explained every basic knowledge about this Art\*. It takes a lot of effort to become a perfect chalk painter.

I wanted to learn chalk painting but don't have any idea from where to start, then I found this guide really helped me from A-Z through learning chalk painting and making me an expert. Now I do chalk painting like a pro.

The book is purely about the chalk painting on furniture. It looks nice and easy. This book is amaizing and its hepls us to master in it in no time. You just have to read this book and become an expert of it.

More basic info. Not what I expected at all.

mediocre

Mostly a book encouraging you to try chalk paint. No brand recommendations. No recipes. Not a lot of explanations included.
