Be Satisfied (Ecclesiastes): Looking For The Answer To The Meaning Of Life (The BE Series Commentary)

Synopsis

Discover the keys to having a satisfied life— King Solomon had it all. Wealth. Power. Prestige. Yet despite having everything he could ever want, Solomon was still unsatisfied. He soon came to a startling conclusion: Even if we have it all, it is never enough. This revelation inspired the book of Ecclesiastes, Solomon's profound thoughts on the meaning of life. *BE Satisfied* examines Solomon's remarkable insights on what holds real value in this world. Part of Dr. Warren W. Wiersbe's best-selling "BE" commentary series, *BE Satisfied* has now been updated with study questions and a new introduction by Ken Baugh. A respected pastor and Bible teacher, Dr. Wiersbe explores Ecclesiastes to find what matters most in life. You will be encouraged to live in the light of eternity, and discover the keys to having a satisfied life, no matter what life brings.

Customer Reviews

I can imagine it would be hard to write a book off of Ecclesiastes. A couple phrases kept being repeated throughout the book . I can't say it was the most fun to read, but it was interesting enough. I selfishly like to have a sense of completeness after reading a book and I didn't quite get that with this. It just kind of ended. Maybe I need to ponder more on it under the sun!

I am doing this on my own and just started, but I can tell it's going to be good. There are questions after each chapter. I have only done 2 chapters so far but I am learning much.

"Be Satisfied" is a commentary on Ecclesiastes. The author provided information about the book of Ecclesiastes (probable author, when written, etc.). Then he went through Ecclesiastes and expounded upon each group of verses. Much of what he said I've previously heard in sermons or I already understood just from reading the verses. He had some ideas that I hadn't heard before regarding a few of the less-clear verses. It was worth reading, but I didn't find it as useful as some of his other commentaries in this series.

This commentary is EXCELLENT and goes into A LOT of detail on the book of Ecclesiastes. There is only one reason I don't give it 5 stars. That reason is: In my Bible school we looked to understand each book of the Bible from the original readers perspective. What would Ecclesiastes have meant to the Israelite people who read these words from Solomon for the very first time. I don't remember too much of that coming out in this book. But Wiersbe's insight and detail on each verse of Ecclesiastes was very insightful and challenging. He really brings about where real satisfaction comes from. It was very beneficial in my study of Ecclesiastes. I do recommend this book!

It is rare to find such a well balanced explanation backed so completely on scripture. And it is written in such a simplistic, easy to understand way. It certainly makes it easy to apply these principles and teachings to present day life. A MUST READ even if you're not a biblical scholar.

Excellent! This is the first book I read from Wiersbe's "Be Satisfied" series. It had many scripture references that helped me to better understand the life of King Solomon. The book also had follow-up questions at the end of each chapter which was useful in a group discussion. A good read for a person reading the bible for the first time. Question: Is life worth living? The answer is Yes and Be Satisfied!

W.W.W.'s entire series is WONDERFUL. Be Satisfied looks the Old Testament wisdom book of Ecclesiastes and W.W.W. brings it into the current day with practical advice and easy to understand ideas.

I absolutely love Warren Wiersbe's way of commentating on the books of the Bible. He is clear and concise and very easy for the average lay person to understand. I usually am able to read his whole book and better understand that book of the Bible.
