Principles Of International Business Transactions (Concise Hornbook Series)

Synopsis

The Third Edition of Principles of International Business Transactions can be used with any international business law course. It tracks of the authors' popular problem-oriented coursebook, International Business Transactions and their three spin-offs Contracting Across Borders, Trade and Economic Relations and Foreign Investment. Coverage moves sequentially from international sales and letters of credit to regulation of international trade to transfers of technology to foreign investment to international business dispute settlement. Full citations and analyses are provided.

Best Sellers Rank: #553,261 in Books (See Top 100 in Books) #516 in Books > Law > Foreign & International Law #5761 in Books > Textbooks > Law

Customer Reviews

Ã Ã Ã‘Ã•

I have used the Concise Hornbook series before (e.g. Evidence) and I've enjoyed it as a review of material before or after a semester course on the subject. This was anything but a concise summary of the law. And in fact, it misstates the law in several portions that I referred to. If you are looking for a giant encyclopedia, then this book is for you. And if you are also willing to rely on incorrect statements of the law, this book is also for you.
