A great way for a busy person to be able to read these summaries of great classic books

I know I am getting an used book. But the book shipped is almost breaking into 2 pieces. I used a lot of school glue trying to glue the 2 pieces together. It didn't work.

This aptly named "portable library," is well suited for any setting: home, office, or school. From the quotes (finding out who really said that) to the two-page summaries of all-time favorites such as 'Swim with the sharks without being eaten alive', '1984', 'Anna Karenina', 'To Kill a Mockingbird', and 'The Joy Luck Club'. It also includes the rules of America's favorite sports, assorted trivia, and grammar guides. This book is a joy to read for recreation, and an invaluable tool for business or class.

I was given this book by a friend and found it to be totally fascinating. It is filled with interesting and useful quotes and stories (much of which I have never had time to read, or have forgotten about). It is all here in compact form! I have shared this book with my son and best friend and also have used the quotes whenever I want to put something in words that are profound and meaningful. GREAT READING I KEEP IT MY BRIEFCASE!
