Creepin' With The Plug

Synopsis

Camari Long, is the most sought after man in the Midwest by women and law enforcement. He's seemed to slip through the cracks of the judicial system plenty of times, yet, he continues to find himself in front of his worst enemy; the honorable Judge Derick Ellis. He's hated Camari for as long as he can remember and will stop at nothing to make sure he's buried under the jail. However, Camari finds sentimental value in something the judge holds close to him and refuses to let go. Tracy, was a married woman who loved her man dearly, until he did what most men do and cheated. She can't understand why he instilled so much hurt on her, when she not only performed her wifely duties but made sure no man ever came before him. Trying to figure out why her life was turned upside down, she finds comfort in another man, who doesn't reveal his true identity to her. The two of them fall deeply in love, but will it be enough to keep them together when secrets begin to unravel right before their eyes? What happens when the man you fall in love with, turns out to be someone else? Do you hold on to love or let it go because of the lies? Find out if Creepin With The Plug is worth the hurt and pain that comes along with it.

Customer Reviews

Omg this book was the truth and I can't wait until part 2 cuz I want to know who Camari saw in that courtroom I want to know if it's Tracy who is presiding over his case this time.. I also want see the outcome of Derick and Nia's situation.. Tracy is sleeping with the enemy and dint evening have a clue and Mark ass don't got himself killed believe oh and let me not forget that Nikki is pregnant by a detective that she thought was a lawyer..

This book was everything from beginning to end drama action intense couples up and down suspense puzzle revelation revealed well written every page intense the plot just explored now revelation revealed what will happen? Part two please

Another 5 star read, story flow from start to finish and I couldn't put it down, can't wait for the next part

Good read why do I have the feeling that Tracy is the judge over Camari's case, I swear he should have been told him who he was. I can't stand Nia she ain't nothing but a walking dumpster with no self respect for herself, she going around sleeping with any and everybody instead of being a lawyer should have just been a prostitute I can't wait for Tracy to find out that it's her that Derick is sleeping with and ain't no telling who baby that is. I wonder does Mark have Nikki, I can't understand how Jermaine and Camari are allowing him to walk around still living after everything that they know he did, like putting the bomb under Tracy's car, slamming her face into the plate and spitting on her what kind of drug dealers are these, they seem kind of soft to me especially if Cam claims that he got eyes on Tracy I mean I can't tell. I'm surprised that Gonorrhea is the only the disease being passed around, I mean Cam slept with Nikki, Nancy, Tracy and possible Nia unprotected, Derick Slept with Nia and the one night stand unprotected, Nia slept with Mark and Marley and his friends unprotected well not Marley but his friends and so on. I never thought Kenny was a detective and even tho I was glad when Tracy checked Nikki about her relationship with Cam I hope that Mark doesn't hurt her but he so evil I can't see that not happening. I can't wait for part 2 and for Derick, Nia, Kenny, Nancy and especially Mark get what's coming to all of them.

What a cliffhanger!!! I'm dying to see who it was but I have a feeling I already know. Nia is is so

disgusting that she makes my skin crawl. It's sad you can't trust nobody not even your bestfriend. I wish Camari would have told Tracy who he was so she could have been well aware. Mark need to die already because to me he's weak. I hope Nikki is okay but I have a feeling Mark did something to her, and I could say Kenny fooled me cause I really wasn't expecting that. Derick is sooooo crooked that I know for a fact his karma is going to come and it's going to hit him hard. As always Tina J came through and showed out, I'm just patiently waiting for part 2. EXCELLENT

I'm loving this new book! So many secrets are being kept. I can't stand some of these characters though. That fake chick Nia works my ever lasting nerves. She is such a snake. I can't wait until her secrets are revealed. Nancy needs to go sit her sneaky self down some place as well. She is just nasty and looking for a come up. She will do anything to get it. I love Camari! Although he should have revealed some things that may end up biting him in the butt I still loved his character. Nikki was a cool baby mama. Too bad she got caught up in the nonsense. She was played in many ways, but I don't believe the feelings her man had for her were fake. I think he did truly love her even under the circumstances. I feel so bad for Tracy. She has no idea of whom her husband really is. That man is not to be trusted. I can't stand Derek. He needs to go on about his business! That man is just dirty. Mark needs to be handled because he is the worse!!! I so can't wait until book two because the drama is about to become more interesting!!!!

So loving this new book and new characters. This book is full of drama and secrets then throw in jealousy, envy and betrayal make a awesome read. This book was amazing with so many twist and turns it kept me on the edge of my seat and I couldn't put it down until the end and I still wanted more. Loving Camari and Tracy's relationship and add in the other characters and nothing but a great read. This book had such a steady flow that before I knew it was the end and what a ending...OMG...Can't wait to see what's happens next. Amazing job Tina J..

I almost decided to skip this book. It started off a little jumbled. NIA is the SCUM of the earth for a woman, how could Tracy still call her a friend in any capacity, knowing that she has slept with all of her men in the past? Why is Tracy not thinking that NIA is not the person sleeping with her husband? Derick, is equally as SCUMMY and a disgrace to even call himself a Man. Mark is a total B. Tina J, Great start, and I am glad I finished. Hope you dont wait too long for book 2
