The Third Angel: A Novel

Synopsis

A magical and stunningly original story that charts the lives of three women in love with the wrong men from bestselling author Alice Hoffman. Headstrong Madeleine Heller finds herself hopelessly attracted to her sister's fiancé. Frieda Lewis, a doctor's daughter and a runaway, becomes the muse of an ill-fated rock star. And beautiful Bryn Evans is set to marry an Englishman while secretly obsessed with her ex-husband. At the heart of the novel is Lucy Green, who blames herself for a tragic accident she witnessed at the age of twelve, and who spends four decades searching for the Third Angel—the angel on earth who will renew her faith. Brilliantly evoking London's King's Road, Knightsbridge, and Kensington while moving effortlessly back in time, *The Third Angel* is a work of startling beauty about the unique, alchemical nature of love.

Customer Reviews

This is basically the story of people from three different time periods and the hotel that intersects all their lives. It is a story of love and loss, of faith and hope. I was deeply touched by the characters

and their life stories. At times, I couldn't put the book down. Fabulous writing, I recommend this book.

This book spans several decades and is easy to get lost in. Faith in humanity, love, loss, loyalty, and acceptance are main themes. Be careful to be careful to pay attention to the names and relationships, for they are the threads that this novel is sewn with.

Alice Hoffman. Always good, always interesting. She does not disappoint

Three stories. All sweet a little slow but sweet

Loved this book and how Hoffman weaves three stories together across time. Romantic and tragic with a very satisfying ending....

Enjoyed this book!

Complex story
