I am half way through this study guide. I am very pleased with it. This study takes you through the

life of Christ using Scripture from all four Gospels - Matthew, Mark, Luke, and John. The book is laid out in such a way that you are able to learn through the commentary in the book, through the printed Scriptures; as well as, through the insight and quotes from various outside Christian leaders. There are also additional Scriptural references that you can read to further your study. In other words, your study can be shallow or deep. Either way you will find yourself growing in your knowledge of God and His Word. I have also studied the books of Revelation and Daniel in this series. In those two studies, each verse is printed in the study guide and then discussed, but in this Life of Christ book all four Gospels are covered, so only selected verses are quoted with reference to the other Gospels. Very good series of Bible studies!

This book has met all my expectation and more. I feel everyone wanting to learn more about Christ, should get this book. I am really thinking about getting the whole series of The Smart Guide to the Bible, right now I have 2 of the books. So it's 5 Stars for me!!!!!!!

I appreciated this book very much as I teach a prime timers Bible class and had good information in it.
