Manual For Courts-Martial United States (2012 Edition)

Synopsis

The Manual for Courts-Martial (MCM), United States (2012 Edition) updates the MCM (2008 Edition). It is a complete reprinting and incorporates the MCM (2008 Edition), including all amendments to the Rules for Courts-Martial, Military Rules of Evidence (Mil. R. Evid.), and Punitive Articles made by the President in Executive Orders (EO) from 1984 to present, and specifically including EO 13468 (24 July 2008); EO 13552 (31 August 2010); and EO 13593 (13 December 2011). See Appendix 25. This edition also contains amendments to the Uniform Code of Military Justice (UCMJ) made by the National Defense Authorization Acts for Fiscal Years 2009 through 2012. Some of the significant changes are summarized and listed below. This summary is for quick reference only and should not be relied upon or cited by practitioners in lieu of the actual provisions of the MCM that have been amended. The MCM (2012 Edition) includes unique changes warranting attention. Discussion has been added or amended to address changes in practice resulting from *United States v. Campbell*, 71 M.J. 19 (C.A.A.F. 2012); *United States v. Fosler*, 70 M.J. 225 (C.A.A.F. 2011); and *United States v. Jones*, 68 M.J. 465 (C.A.A.F. 2010). See R.C.M. 307(c)(3); R.C.M. 307(c)(4); R.C.M. 906(b)(12); R.C.M. 907(b)(3)(B); R.C.M. 910(a)(1); R.C.M. 918(a)(1); R.C.M. 1003(c)(1)(C); and in Part IV of this Manual, paragraph 3b, paragraph 60c(6)(a), and the discussion at page IV-1. The Discussion added in 2012 was a short-term solution intended to address recent, broad changes in the law. Although it may describe legal requirements derived from other sources, the Discussion does not have the force of law. It is in the nature of a treatise, and may be used as secondary authority. The Discussion will be revised from time to time as warranted by changes in applicable law. See Composition of the Manual for Courts-Martial in Appendix 21 of this Manual. Practitioners are advised that the Mil. R. Evid. will be amended after the publication of this Manual and will take effect only after the President signs the relevant EO. Once approved, the revised Mil. R. Evid. will exist outside of this Manual until its next complete reprinting. Practitioners are also advised that Article 120 has been amended by the National Defense Authorization Act for Fiscal Year 2012, Public Law 112-81, 31 December 2011. The amended version of Article 120 creates three separate sexual offense statutes: Article 120 for adult offenses; Article 120b for child offenses; and Article 120c for other sexual offenses. Article 120a remains unchanged. As of 2012, there are now three versions of Article 120, and each version is located in a different part of this Manual. For offenses committed prior to 1 October 2007, the relevant sexual offense provisions are contained in Appendix 27. For offenses committed during the period 1 October 2007 through 27 June 2012, the relevant sexual offense provisions are contained in Appendix 28. For offenses committed on or after 28 June 2012, the relevant sexual offense provisions are contained in Part IV

of this Manual (Articles 120, 120b, and 120c).

Book Information

Paperback: 826 pages

Customer Reviews

I thought I wouldn't like it because it wasn't spiral bound like the one in my school, but I use this book constantly, and it has been perfect. Strange that the military would make something so well organized and clear! I used a marker to make my own tabs on page edges so I know which part is where, but it is great. My Commanding Officer and Senior Chief has even used it from time to time.

Great condition

This is not formatted correctly and doesn't work on my Kindle or open in any of the Kindle apps for other devices. I see why the price was lowered from \$5 to .99.

I have always want to have the MCM for a reference manual. A lot of reading but worth the knowledge

There's is no Table of Contents...you're going to want to use this as a dictionary not like a damn book. Its not made how it should be it might as well be a pdf version....

Simple. Wish they had the actual School one that has the spiral binding and tabs for the punitives/etc

This is even lucky I have to give it 1 star. This whole manual is great, except for the part that it is completely leaving out. Like part 5, kind of a big deal.

I didn't realize there was more than one volume. I needed both volumes and to purchase the second volume costs as much as the first. I can purchase the whole, unabridged book for as much as it cost me for the first volume.
