The Art Of Pleasing A Woman: Learn The True Desires Of A Woman And How To Get Her And Keep Her

Synopsis

Women can be infuriating and confusing. They can seem like unfathomable aliens in their communication and their needs. This can make men feel very intimidated and unable to please women. Some men even feel that women are crazy nuts who are impossible to please. But what if I told you that women are not aliens or crazy nuts? Really, women just have a more emotional way of communicating. And if you want to please a woman, then you must appeal to her emotionality and her emotional way of communicating. The art of pleasing a woman is something for every guy to know. This book is the ultimate guide on how to please women. In it, the secret for how to please a woman is clearly revealed. From communicating to emotional bonding you can give her an earth-shattering orgasm, so learn the real secrets to pleasing women with just these few tactics. Many of the tips in this book are intuitive, yet few men actually employ them. So if you employ them and use this book as it is intended, then you will enjoy far more success and happiness in your relationships with the opposite sex. Take the mystery out of pleasing women by learning the art today.

Customer Reviews

Probably the worst book I've read...ever. Overall, not very good writing, promotes archaic stereotypes, and, for such a short book, is very redundant. I had read the reviews [which there were very few] and feel rather deceived. I think they must be friends or relatives. I will be recycling the book, not donating or giving it away.
