Sanchin: Tristan's Story (Knockdown Karate Novel Book 1)

Synopsis

Growing up is hard enough at the best of times, but for teenager, Tristan Steyn, it's about to get a whole lot harder. Tristan has two dreams. To represent his country in international competition and to graduate as the youngest nidan in the history of his karate club. When he becomes involved in a violent encounter at school, he fully expects to be dropped from the national squad selections. But Tristan is stunned when his mentor, Shihan Dean Stander, exacts a much harsher punishment. Hurt and angry, Tristan goes from being bright and hard working to sullen and difficult almost overnight. But, as friends and family begin to give up on him, tragedy strikes and Tristan is forced to re-evaluate his life and show a strength of character he didn't know he possessed. But is it too late to redeem himself in the eyes of his hero?

Customer Reviews

As usual, I read her second book first then this one and found both to be very enjoyable. You can learn a lot about the formality and the 'ways' of Karate within a nice story. I cannot wait for her next
