Sweet Temptation (Men Of Honor Book 2)

Synopsis

At seventeen-years-old Grace Morgan had managed to live through what would be the worst day of her life. One would think this is where her torment ended, but then she was sent to live with him—â•the devil himself. Three years later she finds herself in the beautiful, small town of Sunset Bay, South Carolina—â•a perfect place to start her life over. This is where she meets the best friends she will ever have, and one cocky, sexy, arrogant former Navy Seal who makes her heart beat faster. Right when things start looking up, the worst day of her life comes back with a vengeance, ruining the peace she has finally found. Sawyer Evans loves women just as much as they love him. His philosophy is: the more the merrier, with no strings attached. But all that changes the day he meets a sweet, sexy blonde baker with sad amber eyes, who smells like cupcakes. The only girl who isn't affected by his good looks and charm, or so he thinks. When Grace's life is threatened, he will not only protect her but also prove to her that his heart is bigger than his ego.***This is Book Two in the Men of Honor series. It can be read as a standalone, has an HEA. Due to strong sexual content, coarse language and mature subject matter this book is not suitable for anyone under the age of 18.

Customer Reviews

I love this series. If you haven't read the first, I strongly recommend you go back and read it first. Not because you'll be lost entirely, but because it's important you know these characters so you don't miss out on the connection. This book was just as awesome as the first. Not only are these two people AMAZINGLY hot for each other, but they are f-ing hotter together. I loved everything about Sawyer (hero) in this book. He was da-bomb. He was a true Alpha and an amazing "friend" and really, really hot (in my head...yeah I know, leave me alone.) The heroine was perfect for him. She didn't do it just to do it, but she really made him work, which in turn worked. Because everyone knows that a horn dog has to actually respect the woman first before a romance can begin and the man can "change". There were times where I thought for SURE that Sawyer was an a-hole and needed his butt kicked. Thankfully, he pulled his head out and had some good grovel going for him. Can I just add that this book was also hilarious?!?! Between Sawyer and his dad, they had me laughing out loud at some of the stuff that was said. This book was suspenseful, hot and crazy funny. I absolutely recommend this book (and series) to anyone that wants a bada** alpha with a huge heart and an even bigger di----I mean ego. Yeah....ego for sure! LOL

Oh my heck, oh my heck, oh MY HECK! I really, really liked this story! What did I like about it? Well, Sawyer is super laid back, sexy, cocky and a horn dog. Yes, these are all fairly normal things for romance heroes to be, but with Sawyer, it's just... more. *laugh* We met him & Grace in book one of this series, Fighting Temptation. Sawyer has a thing for Grace from the minute he sees her (or, to hear him tell it, even before that). But, he is of course a player, and so Grace shies away. They become friends, but ya know, friends who are attracted to each other & who really want more. And it's looking like their sweet little friendship-to-romance story is going to slip in fairly easily. And then, Grace says something she doesn't mean, exactly, Sawyer does something stupid, and hearts are pretty well ripped up. This part is very well written, doesn't annoy me because the author does a good job of setting it up & explaining what each character is thinking, and (my favorite) DOESN'T LAST FOREVER. We get the Sawyer & Grace are working on a relationship & banding together to fight outside forces portion of the story for most of the book. *swoons* I enjoyed the first book (enough to want to read this one right away after it, even tho it was 3AM when I finished FT), but I ADORED this one. The things Grace has been through, how we get to know Sawyer's family, the friendships w/in their circle of friends... it all works very well together. And CHRISTMAS! Christmas is at the end, and it is amazing, and it made me smile HUGE! 10++ stars for this story (even tho there is a LOT of sex bc Sawyer is a horn dog as mentioned LOL) and I will soon be getting the PB

(happy dance) and it is going on my favorites/re-read shelf. :)

*** 4.5 stars ***This was another great book by KC Lynn!!! I love this series and the characters!!! I LOVE these SEALs and what they stand for!!! Grace's story is heartbreaking. She not only lost her mother but she lost her in such a horrible, horrible way. She wholeheartedly loved her mother with her entire soul and when she was killed a part of Grace died too. Then to make matters worse she was sent to live with her uncle who she described as "the devil" which should tell you what you need to know about him. She overcame a lot and deserved her HEA!!! I am glad it was Sawyer she was destined to be with because he is the funny lighthearted one out of the bunch. The joker. However he lost some points with me by doing what he did in the beginning . And all because of a bruised ego. I feel he really betrayed Grace by not only hooking up with someone but that someone be Grace's worst enemy. They were not dating so technically he didn't cheat but I still was ticked off about it. It was hard for me to move past it and I think Grace forgave him too quickly. Another thing that ticked me off about him was when he and Grace went to visit his parents and they went to the bar he left her in a booth by herself for 45 minutes. He was way too wrapped up in his self to notice. But I had to cut him a little slack because he wasn't used to the girlfriend thing. It's for these reasons I gave this book 4.5 stars instead of five. However Sawyer really redeemed himself at the end by making Grace's dreams come true!!! It doesn't excuse his earlier behavior in my eyes but it sure as hell gains most of his lost points back!!! After all everyone f***s up.This book kind of leaves you hanging but not with Sawyer and Grace's story. Let's just say if you haven't downloaded Cade's book then you need to go ahead and do so!!! I just loooove KC Lynn!!! I am sooooo glad I discovered her and that it happened to be this series I found!!! I highly recommend this series so far!!!
