Little Witch Goes To School (Step-Into-Reading, Step 3)

Synopsis

Little Witch wants to go to school just like her friends, but her mother thinks she should stay home and learn from her witchy aunts. Mother Witch finally agrees to let Little Witch go, but only if she promises to be very, very bad. It's a wild ride on a broomstick that kids won't soon forget! The third book in the popular Little Witch series, Little Witch Goes to School has all the mixed-up magic and quirky humor kids have come to love in the first two books.

Grade Level: Kindergarten - 3

Customer Reviews

Kindergarten-Grade 3-Little Witch is back and she wants to go to school. Frustrated by her continual good behavior, Mother Witch wants her daughter to stay home and learn to be bad from her relatives. When Little Witch promises to be bad if she is allowed to go to school, her mother agrees. Despite her pledge, Little Witch is a good role model for enthusiastic cooperation in the classroom, as she participates in activities, performs her assigned job, and even gives the other children a ride on her broomstick. At the end of the day, she admits that she didn't hold up her end of the bargain. Her mother reminds her, "It's bad to break a promise." Beginning readers will find sufficient picture clues, repetitive language, short sentences, and action to support their reading efforts. They will also

get a kick out of the twist of semantics at the end of this lighthearted story, and will enjoy the appealing watercolor-and-pen illustrations that appear throughout. Gale W. Sherman, Pocatello Public Library, ID Copyright 1999 Reed Business Information, Inc.

Mother Witch finally agrees to let Little Witch go, but only if she promises to be very, very bad. It's a wild ride on a broomstick that kids won't soon forget! The third book in the popular Little Witch series, "Little Witch Goes to School" has all the mixed-up magic and quirky humor kids have come to love in the first two books.

The Little Witch series of books were ones that my mom read to my sister & I when we were young. Very few of the toddler books stay with you like these did. When my mom & I started talking about remembering these books, I looked on & found them for my 4 year old daughter. Now I read them to her & she loves them! She LOVES how Little Witch gets in trouble for things like reading books, cleaning her room & making her bed. She isn't too young to get the irony of it & thinks it's hilarious. We bought them because it's nearing Halloween and she's all into anything scary, but these are great books that can be read all year round.

My niece enjoyed this book, read it all the way through. recommended for the readers that may be struggling to read longer stories, kept her focused on reading with the magic.

Little Witch Goes to School (Step-Into-Reading, Step 3) My 4 year old gets a kick out of the Mother witch who tells little witch to misbehave, not make friends, don't learn anything. Little witch tho, wants to go to school and learn. She is disappointed when she finds out her mother packed her lunch box with candy. She just wants a sandwich. She is a good little witch even tho her family tells her not to be good. In the end Mother Witch is pleased because not listening to your mother is bad.

Quality product; easy transaction; prompt delivery; highly recommend!!

These stories are really a bit fresh. We do like to use it as a "would should be said, instead of "...

This is a very cute book. Although I don't promote children going against their parents wishes, this book has the little witch doing the right thing by being nice instead of mean like her mother witch

wants her to be. A great read for my seven year old, that we will read over and over.

Good for 6 year old girls at least.

My daughter, her cousins and I love these stories. They are fun and a easy read and they keeps the kids attention. I am a Pagan and was not expecting this to be a Pagan book so I do not understand the complaints in the other reviews. This series is just funny and enjoyable. Our favorite character is Cousin Dippy.
