Very helpful!

Fodor's In Focus book on Fiji is incomplete. It is missing hotel and sight-seeing information for entire regions of the country such as Rakiraki and Nananu-Ira. For the regions that are included, the Fodor book fails to mention many nice hotels. For example, only two hotels are listed for Lautoka, compared to nine hotels listed in a recent Moon handbook and six in Lonely Planet. When I search for information this book might offer that is not also included in the Moon and Lonely Planet travel books on Fiji, I find almost nothing. It appears that little, if any, independent on-the-ground research was done for this book.
