Lil' Mama Fell In Love With The Plug 3

Synopsis

In Lil Mama Fell in Love with the Plug 2, everybody got their happy ending; Raheem and Yvette, Jabba and Tee. Now that Raheem and Jabba have passed the torch to Serion and Sphynx, will they find their Lil Mamas to fall in love with the new plugs of the city. Serion is still carrying the hurts of his past. Creating a wall that appears no one will be able to break until he stumbles across Sonnet. It appears they will be a match made in heaven; however, Sonnet's past is all too familiar to Serion, making him question if she's the right Lil Mama for The Plug. Sphynx and Key have always had an unspoken attraction and love between them. They test each other to their limits. Sphynx would love for Key to be his Lil Mama instead of a modern day Bonnie, but they all soon learn that her reckless behavior may be too much for Sphynx to mold Key into his Lil Mama. Take another ride as The New Plugs find their Lil Mamas to fall in love with...

Latoy always delivers great book and I can't wait for part 4! I was surprised to see Jinx in this book

and he still short 83774736663664 happy meals in the head! Key made me solo mad in this book hopefully she grows up in part 4! This was a great read!

I did not think I would like the new crew but they turn out to be good and funny as hell. I hope Jackson gets what's coming his way in part 4. I will be watching

Let a sista know when its the last book so i can read them all without stopping! Not saying it was not good im not cut out for the "to be continues"

I did enjoyed this read. Although some of the characters pissed me off with their actions (key), I'm happy they're finally getting it together. I know she and sphynx will be a bomb ass couple. Juma didn't seem like zindi's type but he's growing on me, can't wait to see them blossom. Damn serion must be experiencing deja vu all over again. At least this time he'll get a chance to make a difference. Can't wait to see how he and sonnet grow. I enjoyed this book, entertaining from start to finish, looking forward to seeing what happens next

I chose this rating because of all the action, excitement and entertainment from the brothers, friend's and sisters. I hope that this is the end of Jacko because he has done to much and caused to many problems along the way. Karma is a bad bitch and it's time for the punk Jackson to get his. I hope that the couple are good together and that the baby Will be good with the parents he has.

Good book and I enjoyed the new characters; even though, I was alittle disappointed because i wanted to read more about Raheem, Yvettem Jabba and Tee, but overall still a really good read. This series keep getting better and better and can't wait for the next installment and the see what happens next. The storyline is moving a great steady pace, Well written and good job Toy

Ooh, I love Serion and Sonnet together. I hope Sonnet is okay and they get Jacko crazy self. Sphhnx and Key are two of a kind, lol. I love their relationship and I'm glad she made it known how she feels, even though it took him getting hurt. Juma is throwed off, and Zinda is just the girl to calm him down. Can't wait for part 4, and that ending tho....

I don't know who more crazier Jinx, Jabba, or Juma. I'm glad Key opened her eyes about her actions. Yesss finally Serion gets some happiness. Sphynx is my guy he wasn't playing with Key.
