Raising Goats: Secrets Of Buying And Raising Goats On Your Homestead

Synopsis

Do you want to be food-independent and live a self sufficient lifestyle on your homestead? Do you want to have a renewable source of meat and milk in case society breaks down and the food supply chain is cut off? Would you like a dependable income stream from selling young goats year after year? If you answered YES - or even maybe - to any of these questions, then you need to read this practical goat farming guide. It will show you how to get started buying, raising, and profiting from goats on your homestead.

Book Information

Medical Books > Veterinary Medicine > Food Animals

Customer Reviews

SHEEP. This is a sheep on the front cover. That aside, the information in this pamphlet, and it is a pamphlet, not a book, supplies only the most rudimentary info.

I wouldn't trust a single word of something that doesn't even have the correct animal on the front. Someone who actually knows the first thing about goats would be fully aware of the difference between goats and SHEEP.
