A City Inside

Synopsis

Shifting between the everyday and the surreal, *A City Inside* recounts one woman's life from childhood home, to the first love that she will never forget, to the creation of the idea of herself that she can grow old with and the home that she can grow old in. *Walden* follows up to the lyrical *I Love This Part* is a poetic exploration of the process of growing older; the journey towards finding out who you are and building a life for yourself. It is a universal story of how we don't just come-of-age once, but many times throughout our lives.

Customer Reviews

"The confidence of this work is startling, her linework is crisp and bold, her shadows deeply black, her turns of phrase heartbreakingly earnest...this slim volume feels like a mission statement and a herald of oncoming talent" - Publishers Weekly
"Tillie Walden is a prodigious and stunning artist. Her books have consistently been tender, wistful, complex, and stunning. Her latest release from Avery Hill Publishing is *A City Inside* and it is everything you would expect from a Tillie Walden comic." - Daniel Elkin, *Comics Bulletin*
"A creator who's half my age and twice as talented as I'll ever be, Tillie Walden is the master of gorgeously melancholy dreamscapes." - Brian K. Vaughan, writer of *'Saga'* and *'Y: The Last Man'*.

A cartoonist and illustrator from Austin, TX born in 1996. Tillie's first book was published at the age of 18 by UK publishers Avery Hill. She has since made two further books with them, been

nominated for an Eisner and won two Ignatz Awards. All in the space of 18 months. A recent grad of the Center for Cartoon Studies. Tillie likes cats, architecture, daylight and manga. She doesn't like flowers, nighttime, loud music, or superhero comics. She has a major graphic novel coming out from First Second in Fall 2017.

its strange, how short a read this was. but i keep re-reading it more deliberately, trying to pick up on Tillie Walden's every word and panel. it's really beautiful in a simple, quiet way.it's sad, and really self-reflective. it taught me some things about myself too. would really recommend.

This is a gorgeous book. I think the day I discovered Tillie Walden I knew I had to buy one of her books. Now I just have to decide which to get next...

Very lovely story with great art. I shared it with all my friends and they re-read it a couple times. It really sits with you.
