Gr 2â “4â ”What’s eating EllRay Jakes? No, it’s not the fact that he’s the smallest kid in his third-grade class; though he’s likable, EllRay’s bummed that he doesn’t have more friends. He sets his sights on becoming a social butterfly, but it’s not long before his best-laid plans go awry. Sprinkled here and there with cheery spot images and EllRay’s trademark lists, this is a simple but charming tale, full of realistic dialogue and marked by the author’s genuine understanding of the elementary school set. --This text refers to the Hardcover edition.
