Old info. Can't be used in Florida with the stringent building codes.

Good book. I was hoping for more designs and some inspirations for a garage design. But, the book was informative.

Quick shipping and a good product.

Well written book!

Lots of design ideas in this book.

Great book..just what I was looking for. .book was brand new and fast shipping

good book

all the info that i needed. I looked at some others, but this was the best one.
