Customer Reviews

Wonderful book about incorporating dance into worship. If King David could do it, so should we!

Great

Debbie Roberts is truly a gifted servant of God in the realm of Worship Dance. When, I did a search on Debbie's name, I came to .com. Amazing...and was delighted to see this book posted here. I recently came across this (nearly) twenty year old book, and was so amazed at the many wonderful confirmations received for my own vision the Lord has given me regarding Worship Dance. This is a must for every Christian Worship Dancer. I'm currently active as a Worship Dance leader in my local church of 4,000-5,000 which is growing to 7,000, and this book carries a lot of biblical backup. Along with my own biblical research that the Lord has given me, and now this book, I am more fully equipped to be able to use this in my teachings. It was truly a miracle in itself the way in which this tattered old book came across my path...but its timing for the Worship Dancer of today is solemnly significant for the move of God now. It should be put back into print...
