Goodnight Warrior: God's Mighty Warrior Bedtime Bible Stories, Devotions, And Prayers

Synopsis

These 84 favorite stories from the International Children's Bible are each paired with devotions that are inspirational, positive, and that will help young warriors see God's love for them. The classic Bible stories will delight those young warriors as they lay down for their night-time prayers, and the devotions, which close with a special prayer, promise, or praise, will help connect their hearts to family, friends, and, most of all, their heavenly Father!

My son loves having us read this book to him every night before bed. The lessons in the stories are simple and wonderful to start a conversation with. However, I only gave 4 stars because my son is 5

and some of the stories describe more violence than I would like to introduce to him, especially before bed. Sometimes the violence ends up being the topic of conversation instead of the lesson that is being portrayed. I have found myself on several occasions skipping words or sentences while reading in order to avoid topics that are more appropriate for adults.

The book starts out great, but quickly fell into a rut. The "devotion" half of each story is just a rehash of the story with nothing to add, so it feels like you are reading each story twice. Still, it is a great opportunity to develop a good habit and spend time with your son reading Bible stories. It's too bad the author didn't come up with more application of the stories for little boys.

these books are great my kids love them and seem to understand them they were for their 6th birthday and they both like to have this read to them every night and also my sons book glows in the dark and my daughters has a pretty heart that is really soft so they hold these books a lot when I am done reading to them and they fall asleep with them very nice sets for boys and girls :)

I bought this book for my 2 year old son. It is still a little over his head with the stories but I think it's so important to get him in the habit of a devotional nightly. There are tons of stories in this book so we can just go through it over and over until he's a teen! :) He especially enjoys the prayers at the end of each story! He says "warrior book!" every night before bed. Kids love schedules and this book can easily fit into it!

I use this in the nursery class at church for ages 2-5 years and even the girls enjoy these stories. It is good for them to know even at their young age, they are warriors for God.

Great great book! I recommend to everyone. My kids (all 5), enjoy reading this at night.

Such a sweet book for our young guys. We have really enjoyed it.

Our church holds a week long, sleep away, summer camp for foster children ages 7-11 years old and the "grandpa" reads Brave Young Knight to the boy's during their "knighting" ceremony, and this book is used during their quiet time. It was a great supplement.
