Best Sellers Rank: #1,874,149 in Books (See Top 100 in Books) #8 in Books > Health, Fitness & Dieting > Children's Health > Asthma

## Customer Reviews

This book was recommended to us by a dentist. Though it is designed for young children, my older teen daughter used the information in it to correct her tongue thrust.

It has helped a lot in managing the asthma of my daughter, although at times we had to resort to medication. We have not yet followed the complete program. Not a substitute of the big book with all the explanations, but this one helps in making children understand what they have to do.
