Snow Happy: Whimsical Embroidery Designs To Mix And Match

Synopsis

Simple to stitch and so much fun, these whimsical hand-embroidery projects feature winter's most charismatic characters--snowmen. You won't be able to get enough of these roly-poly snowmen as they cook, sew, quilt, and frolic in a winter wonderland created by you! Charming snowman patterns let you showcase your handwork while creating adorable decor. Easy, portable projects make great gifts and festive holiday decorations--including a table runner, pillow, ornaments, and more. Mix-and-match motifs let you customize your embroidery with just a few simple supplies.

Robin Kingsley enjoys living and working in her California home and third-floor studio. Her collection of vintage needlework tools and treasures is tucked on shelves and in cupboards, and you can see her love of these goodies reflected in her work. When she's not playing in the studio or traveling to shows, Robin can be found in her garden, another source of design inspiration. Even when hectic, every day is fun as she plans new designs, stitches new models, and develops patterns and kits.

Cute designs, I've already finished one. I don't read the instructions since I embroider my favorite way but Mom loves snowmen and I wanted to embroider some for her.

I love, love, love this book. I'm a snowman(woman) woman! I made one of these designs even though it arrived close to Christmas and it looked great! Looking forward to doing some more before

next Christmas. Thinking of using these designs on pillows for the holiday season. Don't get many opportunities for snowmen in Louisiana, so we have to make what we can!

Love the snowmen in this book, they are cute and whimsical. I have purchased single patterns by Robin Kingsley, now you can get a whole book of them. They are done in blue, but could be done in any color. If you like to hand embroidery you will enjoy the projects in this book. They are fun and easy to complete.

The book has examples of how you can use the embroidery designs in quilts and small crafts.

Fabulous book

Still playing around with the patterns in this book. Certainly appropriate for a winter project

I love to embroider snowmen or just plain embroider so this a good book for projects.

Very easy to use I am using it for Christmas Presents
