Loved this book! I am an entrepreneur and have read many self-improvement books. I really enjoyed this fresh take on business along with some classic business advice that is ageless. I highly recommend this book to anyone on any level of business from start-up to full fledged sage business owner. In my opinion a smart business person never stops learning. Props to Kevin Harrington, Rob Kossberg and the other contributing authors!!

What can I say. One of the best books on entrepreneurship/life written in this century. 10 out of 5. Congratulations!!! This book should be mandatory reading and purchased with Napoleon Hill's classic "THINK and GROW RICH" and be read each night before going to sleep. (For the rest of your life) Packed with PRINCIPLES and WISDOM to make anybody a SUPER-ACHIEVER.."
