My Hero Academia, Vol. 8

Synopsis

Midoriya inherits the superpower of the world's greatest hero, but greatness won't come easy. What would the world be like if 80 percent of the population manifested superpowers called "Quirks"? Heroes and villains would be battling it out everywhere! Being a hero would mean learning to use your power, but where would you go to study? The Hero Academy of course! But what would you do if you were one of the 20 percent who were born Quirkless? The U.A. students have reached the practical portion of their final exam, but they didn't expect to have to beat their own teachers in order to pass! Paired with his archrival Bakugo, Midoriya has to try to take on none other than All Might himself. Working with Bakugo is one thing, but is giving everything he's got to beat All Might more than Midoriya can handle? And in a nearby arena, Yaoyorozu and Todoroki endure a similar struggle. Meanwhile, a sinister new adversary prepares to make a move!

Customer Reviews

Kohei Horikoshi was born in Aichi, Japan, in 1986. He received a Tezuka Award Honorable Mention in 2006, and after publishing several short stories in Akamaru Jump, his first serialized work in Weekly Shonen Jump was Oumagadoki Doubutsuen in 2010. My Hero Academia is his third series in Weekly Shonen Jump.

My Hero Academia continues to impress. We see the introduction of some of my favorite characters in the entire series as well as the epic conclusion of the End Term Test Arc.

Title says it all, really. It keeps pace with the last volume and furthers the plot while developing some lesser known characters.

I've been waiting so long for class A to have some kind of normal high school experience and we finally get as close as we can by the end of this. Along with that, we're covering more ground on what it means to be a hero and what people look for to aspire to as a villain. It's all very interesting.

Another great volume! The creator's little tidbits about characters and costumes inserted throughout are an enjoyable addition as well.

The story keeps getting better and better. I hope all of it makes it to the anime stage.

Some of the best character development I've read in any medium, hands down. I love what happens to Yaoyorozu in this volume.

Excellent as ever, My Hero Academia Vol. 8 continues the series' fantastic character writing while offering awesomely choreographed action scenes and top notch art. The series genuinely gets better with every volume and has yet to even slightly disappoint.

Arrived in excellent condition
