# Only In Minnesota

## Synopsis

Only in Minnesota is a pictorial tribute to all that makes the state unique. Combining the natural, historical, and cultural facets of life in Minnesota, it showcases the people and what they do for fun (the Uptown Art Fair, ice fishing), where they live (from the cities of Minneapolis, St. Paul, Duluth, and Rochester to smaller towns and rural regions in between), their favorite places (Mille Lacs, Split Rock Lighthouse), and more. More than 160 dazzling, four-color photographs, showing a variety of subjects--from farms and churches to tourist destinations and state parks; from nature scenes to city festivals and cultural events--are the focus of Only in Minnesota. These photographs are accented by lively captions and fun facts. The result is a homage to the Gopher state from a local author and photographer whose love for Minnesota comes through on every page. Roxanne Kjarum is a freelance photographer who shoots advertising for money and the natural world for love. Her first published work was in Sierra Club magazine in 1988; since then her photography has appeared in numerous publications, including MPLS.ST.PAUL Magazine, Lake Superior Magazine, and Metropolitan Home.

## Book Information

Hardcover: 144 pages

Publisher: Voyageur Press (April 2003)

Language: English

ISBN-10: 0896585344

ISBN-13: 978-0896585348

Product Dimensions: 9.3 x 0.8 x 12.2 inches

Best Sellers Rank: #663,347 in Books (See Top 100 in Books) #135 in [Books > Crafts, Hobbies & Home > Antiques & Collectibles > Americana](#) #217 in [Books > Travel > United States > Central](#) #889 in [Books > Travel > Pictorial](#)

## Customer Reviews

Roxanne Kjarum is a freelance photographer whose images have appeared in numerous publications, including "Sierra Club" magazine, "MPLS.ST. PAUL Magazine," "Lake Superior Magazine," and "Metropolitan Home." Berit Thorkelson is a native Minnesotan whose job combines her love of travel with her love of writing. She has written about Midwestern travel for many publications, including "MPLS.ST. PAUL Magazine", for the "Star Tribune," and "Midwest Living"

magazine.

The photos in this book are astonishingly beautiful ... and arranged in such a fabulous gallery to honor the many inspiring and diverse sights and experiences that Minnesota offers to residents and visitors alike!

Nice photos, but maybe too much on the art-school versus commercial side of things. I got this as a gift to some friends from another country. I wish it did a little better showing the state's beauty, even if the photos might be a little cliched.

bought this for my aunt who moved to Florida and left her Minnesota family behind. She loves it, says it is a great table top item. Lots of neat facts on the great state.

I've given this book to friends and family who have left the state as well as friends and family who have stayed. It has been a hit in both camps. My favorite photo is the gas metered covered in ice that must be an inch thick--it speaks volumes about life in Minnesota!

I bought this for a friend's daughter (8) in Texas who has never been to Minnesota. She loved it and my daughter (33) did as well. Full of beautiful pictures and information to help you plan your next travel or road trip.

Just a wonderful book! Minnesota at it's best.

i found this book to be a wonderful guide to the newly transplanted and for folks like me, who have lived here all my life. i had no idea there is so much beauty & long lived traditions. i mostly spend my time going to the ne corner of the state-lake superior but now i have had a glimpse of what other fabulous places are here in minnesota and will begin to explore what is 'only in minnesota'. thank you for creating this book!

Beautiful Photos
