Customer Reviews

Wanted to start making homemade gifts, saw this book and it looked like it would be full of ideas, cannot wait to start making some of the projects.

Each page of Gooseberry Patch Christmas Book 2 is filled with creative country/down home ideas. The ideas are simple with beautiful pictures and easy to follow directions made from easy to find supplies. There are wonderful recipes for gifts or Christmas dinners. The hardest thing about this book was "which craft or recipe do I do first?". Don't miss this one!
